Dear Steve,

I really don't know how to thank you for the outstanding job you and your hand picked crew did. Our family room addition is everything I had always dreamed it could be. I firmly believe the reason the addition turned out so well is because you took a personal interest in the outcome. We have remodeled twice before and I was dreading the whole thing. Steve the way you and everyone who works for Keystone showed up and worked everyday didn't surprise me at all that the family room was completed when you said it would be. We have told all of our friends and anyone who mentioned remodeling or building, what a great job Keystone does.

Thank you again for our beautiful new room.

Sincerely,

Lea Brown
